EDUCATION

LUCKNOW UNIVERSITY

Bachelor of Technology in Computer Science(AI)
SGPA : 9.31

Lucknow, Uttar Pradesh
Aug 2024 - Aug 2028

RANI MURAR KUMARI GIRLS INTER COLLEGE

Senior Secondary (Class XII): Secured 89%
Major in Physics, Chemistry & Mathematics.

Varanasi, Uttar Pradesh
June 2022 - June 2024

EXPERIENCE

Blackcoffer

18 June 2025 – Present

Data Analyst Intern

- Working with data, performing data extraction.

Member – Coding Connoisseurs, Lucknow University (2024 – 2025)

- Designed promotional templates for upcoming club events using graphic design tools, ensuring consistent visual branding across announcements and social media materials.

PROJECTS

Sales Performance Analytics Dashboard | Power BI | [Github](#)

- Developed an interactive Power BI dashboard for Motorola tracking KPIs across 769M in total sales, including transaction, quantities sold, customer ratings, and payment trends enabling real-time executive reporting.
- Implemented advanced charts, geo-maps, slicers, and brand-wise/month-wise analysis to provide actionable business insights and improve data-driven decision-making.

Retail Inventory Dashboard | SQL

- Wrote complex SQL queries including JOINS, CTEs, window functions, and aggregations to extract business insights
- Identified trends in inventory turnover, pricing patterns, and product availability to support decision-making

TECHNICAL SKILLS

- Languages:** Java, Python
- Data Analysis Libraries:** NumPy, Pandas, Matplotlib, Seaborn
- Visualization & BI Tools:** Power BI, MS Excel
- Databases:** MySQL, PostgreSQL
- Tools:** VS Code, Git, GitHub, Jupyter Notebook
- Concepts:** Data Structures & Algorithms, Data Analysis, Data Visualization, Dashboard Development, Data Cleaning

ACHIEVEMENTS

- Secured 2nd place in Integral Prompt War- a competitive AI/prompt engineering challenge.
- Solved 175+ problems on Leetcode, demonstrating consistent algorithmic problem-solving ability.
- Cleared internal rounds of Smart India Hackathon (SIH) 2025, competing against 100+ teams.

CERTIFICATIONS

- Samsung Innovation Campus – Artificial Intelligence.
- Microsoft Power BI – Skill Course (2026)
